

Website Homepage Mockup

- (1) Logo - Takes user to the homepage. (This area has been left unfinished because the website has not been branded yet.)
- (2) Search Bar - Allows user to search a comprehensive database quickly and easily using tags and keywords.
- (3) Language - Users may choose their preferred language.
- (4) Menu - The main navigation has been organized into sub-menus to eliminate clutter, keeping the overall aesthetic modern and professional.
- (5) Weather - Dynamically updated weather forecast.
- (6) Welcome and Blurb - Each page will have space for a short custom welcome message and a blurb about the page.
- (7) Picture Viewer - Scrolling images are paired with descriptive titles and text driving users to action by clicking on the links and learning about Perth.
- (8) Get in Touch - The address, phone number, and office hours are clearly labeled for users to easily get in contact.
- (9) Latest Jobs - Job postings are displayed like a news ticker, with descriptive text and a "read more" link below.
- (10) New Canadians can click here for assistance.
- (11) Space for many extra links is available in the footer.
- (12) Connect with Us - Users will find links to social media here.
- (13) Footer Links - Menu links are repeated in the footer.

Note: These wireframes are conceptual creations and should not be considered a final draft.
